BRIDGE PRODUCTS

Advanced Composites

- ✚ Plastic decking and more
- ✚ Fiberglass and carbon fiber rebar
- ✚ Excellent information on retrofitting and repair systems
- ✚ GRFP Rebar
- ✚ Fiberglass superstructure panels

Bearings, Seismic Restrainers, and Seismic Dampers

- ✚ Bridge bearings, expansion joints and anti-seismic devices
- ✚ Pot bearings, Elastomeric Bridge bearings and Structural Bearings
- ✚ Expansion Joint and Bearing Systems
- ✚ Seismic Isolation
- ✚ Pot Bearings, Spherical Bearings, Elastomeric Bearings, Rocker Bearings, Special Bearings, Anti-Seismic Devices (Friction Pendulum Bearings, LRBs, HDRBs)
- ✚ Elastomeric Bridge Bearings, Seismic Isolation Bearings and Teflon® Slide Bearings
- ✚ Restrainers
- ✚ Expansion Joints, Structural Bearings, Isolation Damping Bearings, Fluid Viscous Dampers & Lock-Up Devices
- ✚ Fluid viscous dampers
- ✚ All types of bridge bearings

Bridge Decking & Grating

- ✚ Orthotropic deck sections and other custom steel fabrications
- ✚ Steel bridge decking
- ✚ Deck draining system
- ✚ anti-skid surfacing technology
- ✚ Interlocking Deck Systems
- ✚ Weld-free steel bridge decking
- ✚ Deck plates and wearing surfaces.
- ✚ Slip-resistant decking and grating
- ✚ Fiberglass decking
- ✚ 10 & 12 gage 2-1/2" x 6-1/2" galvanized bridge flooring
- ✚ Superior Steel Corrugated Bridge Flooring

Coatings, Sealers, and Anti-Corrosion Systems

- ✚ Zinc galvanic protection systems
- ✚ Joint Sealers
- ✚ Metalizing: corrosion control
- ✚ Coating
- ✚ Water repellents and anti-graffiti systems.
- ✚ Decorative Concrete Finishing
- ✚ Waterproofing for bridge decks
- ✚ Patching Materials, Epoxy Overlays, Bridge Overlay Materials
- ✚ "High tech" coatings

Concrete: Forms, Precasters, and Prestressing Systems

- ✚ Rebar splicing and construction aids
- ✚ Custom steel concrete forms
- ✚ Precasters and Designers
- ✚ Self climbing form work and more
- ✚ All supplies for concrete construction
- ✚ Precast retaining wall structures
- ✚ Steel bars
- ✚ New and used forms
- ✚ Prestress Concrete Fabricators
- ✚ Scaffolding
- ✚ Fiberglass reinforcement
- ✚ Manufacturers of custom forms

- ✚ Post-Tensioning supplies and materials
- ✚ Restrainers, and prestressing products

Construction Aids

- ✚ Modular floatation system for bridges and barges
 - ✚ Safety netting
 - ✚ Multi-Span Bridge Platform System
- ### Expansion Joints
- ✚ Expansion joints and bearing pads and systems
 - ✚ Joint Sealers
 - ✚ Modular Expansion Joints, Single Gap Expansion Joints, Cantilever Finger Joints, Sliding Finger Joints, Mat Type Joints

Falsework

- ✚ Heavy Duty Falsework Systems
- ✚ Jacking and temporary support systems

Inspection Equipment

- ✚ Bridge inspection equipment- aerial platforms
- ✚ automated collection of bridge inspection information system

Inspection Equipment

- ✚ Stand-alone data acquisition systems
- ✚ Structural Health Monitoring (Load, Deformation, Vibration and Crack Monitoring, Cable Force Measurement)
- ✚ Snooper inspection cranes

Building & Technology Supplies, LLC

Logistics and Sales of Construction/Industrial Products - Export

Corporate Remit: P.O. Box 450852, Sunrise, FL 33345

Phone: 954-839-7403 / 954-656-1266

Web: www.buildingtechsupply.com

- ✚ New and used inspection equipment
- ✚ Overhang access machines

Prefabricated Bridges Types (Supplies Only)

- ✚ Prefabricated modular steel panel bridges
- ✚ Timber bridges and boardwalks
- ✚ Aluminum pedestrian bridges
- ✚ Treated lumber bridges
- ✚ Prestressed granite structures
- ✚ Novaspan and Superspan culvert-type bridges
- ✚ Modular bridge system
- ✚ Steel Bridge Design
- ✚ Weathering steel bridges and recycled steel flatcar bridges
- ✚ Prefabricated steel truss bridges

Steel: Fabricators, General Products and Welding

- ✚ Custom steel fabrications
- ✚ Structural steel connectors
- ✚ Galvanized rebar
- ✚ Stud welding machines, equipment, and accessories

Miscellaneous

- ✚ Coatings, Pipe, and Poles
- ✚ Signs and warning light systems
- ✚ Rebar splicing

Miscellaneous

- ✚ Lighting and efficient quality fixtures
- ✚ Gates, barriers and toll booths
- ✚ Environmentally friendly alternatives to salts for de-icing.
- ✚ Roadway impact protection devices
- ✚ Specialty foundation construction products

- ✚ Digital highway advisory radio systems
- ✚ steel bridge railing and guardrails
- ✚ Wood deck panels
- ✚ Electronic Directional Display™ panels, variable message signs, flashing beacons
- ✚ Electronic measuring devices for roadway safety and traffic monitoring
- ✚ We provide Information about aluminum bridge components
- ✚ Permanent and temporary channelizers and barricades for roadways
- ✚ Cables for suspension and cable stayed bridges
- ✚ Roadway Weather Information Systems (RWIS)
- ✚ Gear Reducers, Lock Bar Operators, Cushionlocks, Bronze Pillow Block Bearings Traffic Barriers, Suspension Cable Bands and Anchoring Systems, Movable Bridge Machinery, etc.
- ✚ highway guardrail and safety end-treatments
- ✚ Fiberglass conduit systems
