## WROUGHT IRON FENCE/PANEL , POST AND GATE

### CHOOSE IRON OR ALUMINUM <STRONGHOLD IRON> RESIDENTIAL

#### Stronghold Iron ~ Residential Grade

All of our iron fence panels offer an all welded construction for superior strength and security. They are galvanized inside and out,( in addition to applying electro coat rust inhibitor after final assembly) then powder coated for long lasting durability. The finishing touch is a cast finial welded to the top of every picket! (*Except 4' pool*)

These specifications apply to all fence panels, regardless of height.

#### **Horizontal Rails**

*1" wide x 1/8" thick solid iron channel*

#### **Vertical Pickets**

*1/2" square x 18 gauge thick iron*

#### **Decorative Finials**

*4" solid sand cast iron - welded*

#### **Panel Width**

*8 Feet*

#### **Finish**

*Hot-dip galvanized, multistage pretreatment & TGIC fade-resistant polyester powder coat finish.*

#### **Warranty**

*25 years*

*(longest in the industry!)*

### STRONGHOLD IRON DOUBLE ESTATE GATES

Our beautiful arched **estate gates** are the perfect choice for your property. Not only do they stand out with their bell curve arch and 6" finials, but they also have a 2" frame and all welded U-Frame construction for unsurpassed strength. We also offer gate openers so you can automate your gate allowing you to get everything shipped from one source.
