

# ALUMINUM SLIDING GLASS DOOR

# ALUMINUM SLIDING GLASS DOOR

## DOOR SIZING CHARTS

Heavy plated flush pulls – all panels bypass without interference. Outstanding standard features include no lock-out, built-in night bolt and night lock.

Self-adjusting screen (not shown) – The screen rolls at a finger-tip touch, yet it will not come off the track. Reversible for left or right operation. Spring loaded bottom and top rollers assure excellence in operation.

### OPTIONS

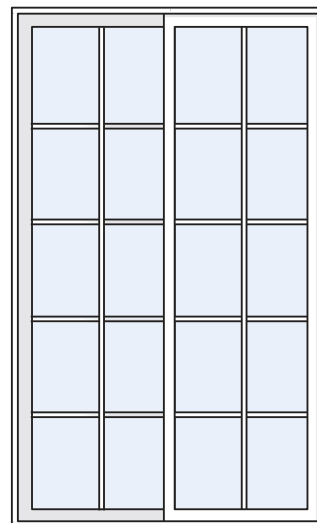

- Available in white, bronze and mill finish
  - Glass available in clear, gray tint and bronze tint

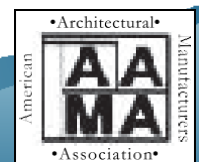

Protecting All That Matters.
